1. Holding Deposit: £100 per person with your application. This is deducted from your first rental instalment.
2. Security Deposit: £400 per person on the first date of the tenancy. This is returned at the end of the tenancy providing your tenancy obligations have been fully met.
3. Rent: as per the table below. If you don't live in the house during the first two months of the tenancy, there is a rent reduction of 25% for those months. This reduction is included in the total rent for tenancy below.

	Weekly	Monthly	Total Rent for Tenancy

The small print...

1. The tenancy will be from 15th July 2025 to 14th July 2026
2. Once you have signed tenancy documents, you are legally bound to pay rent for the entire period
3. You will require a UK based guarantor; somebody who is credit worthy and would pay your rent in the event that you do not
4. The tenancy is joint and several, meaning you are all equally responsible for the tenancy terms, conditions and rent
